1950 Plymouth Club Coupe. As sparkling bright as tomorrow morning. The car that likes to be compared. It's exclusive air pillow ride, airplane type shock absorbers, chair height seats, extra window vision, automatic choke, safety wheel rims, and other valuable performance and safety features make this little beauty outstanding. Radio and Heater too. In the best of mechanical condition at the very low price of only **\$845**

1951 Kaiser Deluxe Four Door Sedan. Here is a car that is years ahead in styling, comfort and safety. It has a very powerful motor and with its over-drive, very economical to operate. The car is showroom fresh and clean. Its original light maroon finish and immaculate interior reflect the care and attention it has had. Highly recommended by its former owner in his written affidavit. It cost him over \$3700 when bought, but you can own it now for **\$995**

1949 Ford V-8 Station Wagon. This is the car with the famous midship ride, big picture windows and magic action brakes. It's big powerful V8 engine will deliver power and speed plus extreme economy. Built to carry eight passengers in comfort. Just the car for family use. In the best of appearance and mechanical condition. The price is very low at **\$745**

1952 Dodge Two-Door Six Passenger Sedan. This car was built by Dodge to give you extra special riding qualities, easier maneuvering and extra operating economy. Traded to us for another Dodge and its service history is in our files. Radio, spotlight, heater, outside sun visor, two-tone Black and Maroon finish. A one owner car that you can enjoy for only **\$1295**

1950 Plymouth Suburban. Formerly owned by a Palos Verdes resident and cared for regularly in our shop. To look at it you would think it was a new car, and it's just as good mechanically as its appearance would indicate. This type Plymouth is easily the most popular ever produced. It has a thousand uses and quite scenic. If you see this car and drive it, you will surely want to own it, especially at the low price of **\$1095**

1952 Mercury Four Door Sedan. This beautiful Merco-matic drive sedan is truly a dream boat. Every extra to add to your pleasure and enjoyment. An abundance of extra power and economy in its V-8 motor. Extremely well cared for by its former owner. One that you will want when you see and drive it. Price **\$1745**

This 1953 Dodge Four Door Sedan is finished in two tone, Nassau Bronze and Mohave Bronze. The interior harmonizes nicely in two tone brown. This car has the famous Solex glare proof glass all around, synomatic no shift transmission, radio, turn signals, etc. It's like a brand new car in all respects and you certainly won't want to pass this up at the low price of **\$1795**

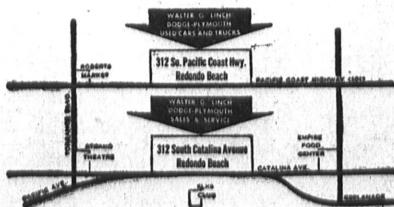

1949 Chevrolet Four Door Sedan. More cars of this model have been sold than any other make built. We know its former owner. He was very conscious of safety and economy and kept the car in tip top shape by regular shop inspections and lubrications. A good solid car. Radio and heater and other extras. Price **\$795**

1949 Chevrolet Club Coupe. The little lady that owned this car bought it new and was quite proud of it and insisted that lubrications and service check ups and oil changes came at regular intervals. We repainted the car a robin's egg blue to make it look as good as its mechanical condition warranted. For a second car or good transportation you cannot lose on this one at **\$795**

This is a 1951 Plymouth Cranbrook Club Coupe. It's a one owner, and owner recommended car in above average condition. It has a radio and a heater and its appearance is really sharp. A very popular model because of its beautiful lines, economical operation and comfortable safe riding features. Price **\$1095**
